

We are in the business of managing complexity.

Insurance | Reinsurance | Compliance | Obligor Assistance | Licensed in all 50 states & D.C.

If your current structure is so twisted and convoluted you just don't understand it, make the switch to DAC. You can always be confident in your insurance coverage and reinsurance position, because transparency and compliance are our top priorities. We're part of iA Financial Group, one of the largest insurance companies and F&I providers in Canada. We have the strength, stability, and know-how to untangle your position and have it make perfect sense.
